F/O: beneficiary's account No. (**IBAN**): SK528180000007000381378

Beneficiary: Statna ochrana prirody SR, Sprava slovenskych jaskyn, Hodzova 11, 031 01 Liptovsky Mikulas

Remittance information - *write here, please the following (only for better identification of payment):*

ISCA, your name and/or cave or organization name, number of persons that you pay for by one transfer (e.g.: ISCA; Your Name, Your Cave Name; 3 persons). Names can be shortened.

Important information before payment:

For calculation of the exact amount to pay it will be necessary to fill in the detail information in the **Binding Registration Form** at the end of this circular. After receiving the registration form we will calculate the sum to pay according to the rules written above. Then we will send you a confirmation email with a sum to be paid. In case everything is all right, **we will issue a PROFORMA INVOICE** and send to you scanned by email, so that you could pay by bank transfer in advance. It will be possible to pay for more people at one time – just let us know the names in payment information. The normal/regular **INVOICE** will be given to you during the congress.

For writing a PROFORMA INVOICE we need additional information: Name of your Institution/Company, full postal address, institution/company identification number (if applicable), VAT number (in case of value added tax payers only), bank name and number of your account in IBAN form. In case of physical persons paying by bank transfer provide us only with: Name, address and bank name and account number in IBAN form.

For those who have sufficiently filled in the registration form in the 2nd Circular, we process the information we have and send them the confirmation email accordingly.

In case of any mistakes or unclarities we are ready to correct them and if necessary, we can provide you with all details as for calculation of your final costs.

Details for invoice:

Company/Cave/Institution/Person Name	
Full postal address	
Company/Cave/Institution Identification Number <i>(if applicable in your country)</i>
